

Quinnie's Nail Salon & Spa offers wide array of services

Quinnie's Nail Salon & Spa has expanded its services with the addition of a hairstylist and full-body detoxification foot bath therapy.

Hair stylist Karli Benedict specializes in cut and color. "All products and colors are organic and non-toxic," she said. She is offering a complimentary deep conditioning treatment with the purchase of a gift certificate.

The staff at Quinnie's follow high standards for sanitation. Disposable plastic liners, for example, are used in all the foot soak tubs to ensure the highest level of cleanliness. All pedicure and manicure instruments go through a three step sanitization process.

Quinnie's also provides an easy solution for those hard-to-shop-for people on your list. Who wouldn't love a deluxe pedicure with paraffin foot soak and foot massage? It's just one of the many services that could be purchased with a gift certificate.

Soft music, aroma therapy and private stations help clients fully relax. The salon and spa can host small groups. "If you want to have a party, bring food, etc.," said Quinnie.

Aesthetician services are also available.
